It is with deep regret that the Jones Beach Lifeguard Corps announce the passing of Lt. Paul Lundwall. Paul served as a lifeguard with the JBLC for 50+ seasons. His name and face was synonymous with all that it meant to be a Jones Beach Lifeguard. He served in many capacities as both a past Union President & lifeguard officer, retiring as the Lieutenant of RM5. "On time, In uniform, Watch the water." He passed down his love for the beach and dedication of saving lives to all his children, Britt, Kim and Chad all who also served as members of the JBLC. Our hearts are heavy for the Lundwall family and our deepest condolences go out to them during this time.

Services will be as follows:
