Spring is here and we are only 8 weeks away until the opening of the season! I know I am super excited..and I'm sure you are too! Just wanted to let everyone know that rehire papers have been reviewed by the Exec Board and were stamped for approval to be sent out this week. The lifeguard websites have been updated, <http://jblifeguard.org> & <http://jblc.net> with all the important dates and information. Check the scrolling text box on the home page or just click on the [Calendar](#) link. If you have any questions or concerns about anything, please talk to your Beach Reps or any Executive Board member. Train hard and get ready for another amazing summer comin up before you know it! Pray for surf, and lots of awesome rescues!!! :-)
